## NEWSLETTER

September 2017

### HOLIDAY FUN!:

This summer, the sisters organised a number of special 'outings' for the children again. They went to the beach where everyone had a lot of fun playing in the sea! The children also visited a number of magnificent temples and had a wonderful time in a beautiful nature park.

We are very pleased that we are able to spoil the children a little with these trips. And this is largely thanks to your help. It is really nice that they can learn more about their own country and enjoy it as well.

### EXHIBITION:

Last month, with the help of the sisters, the children once again organised an exhibition of their own handi-crafts which they had really enjoyed making. People from the village were invited to come and view the wide selection of drawings, paintings and other pieces of art. The best one was awarded a nice prize, and following the awards ceremony everyone enjoyed something to eat and drink. The day was rounded off with some 'water games'.

„great fun  
for all!“

## PROGRESS WITH OUR NEW BUILDING:

The building of our fourth orphanage is right on schedule. It is very nice and handy that we receive so many photos of the building process from Sister Amatha. That way we can see how far they have progressed. They also give us a good impression of how it will look when it's finished.

It's quite nice to be able to follow the construction process this way and now it's really beginning to look like a 'real orphanage'! Needless to say we can't wait to see the final result! Although the funds are running a little bit short, we are quite confident that we will be able to collect the necessary amount.

## We could certainly use your help with this!

### MARKET STALL:

This summer, Elsbeth, one of our committee members, manned a market stall at the tourist market in Oostkapelle, no less than 11 times! Together with her friend Tonny they sold all sorts of things. In the end they were able to transfer a splendid amount to the account of our foundation. Super! Well done!

On Saturday the 25th of November, the foundation stall can be found at the 'Market of Hope' in the Grand Church of Goes. So make a note in your diaries! It will be really a worthwhile occasion and a very enjoyable market.
